

RALEIGH FLYERS

# GROUP EXPERIENCES

**We can't wait to host your most unique company outing yet!**

Whether you are bringing your co-workers, your fellow club/organization members or just a whole bunch of your friends, the Flyers are here to get you back out for some summer fun! Durham County Stadium allows for plenty of social distancing while your group gets to watch one of the best pro ultimate teams in the country show off their skills. Our resident DJ, Marcus "Mr. Illz" Ward keeps the music going and Sunny the Flying Pig will be there to put a smile on your face.
